An act to add Section 6253.6 to the Government Code, relating to public records.

LEGISLATIVE COUNSEL'S DIGEST

AB 1798, as amended, Chavez. Public records.

The California Public Records Act provides that the public records, as defined, of every state or local agency are open for inspection at all times during the office hours of the agency, that every person has a right to inspect any public record except as provided in the act, and that every agency, upon request, shall make copies of records available upon payment of fees to cover cost. The act authorizes any agency to withhold disclosure of requested public records pursuant to specific statutory exemptions or by demonstrating that on the facts of the particular case the public interest served by not making the record public clearly outweighs the public interest served by disclosure of the record.

This bill would require, if any military veteran requests the recordation of any military discharge document such as a veteran's service form DD214, that the county recorder shall ~~provide written advice to the veteran that the~~ *require the veteran to sign a form that acknowledges that the* document becomes a public document subject to inspection, as provided. By creating new duties for local agency officials, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

*The people of the State of California do enact as follows:*
